

A STUDENTS GUIDE TO APPLYING FOR A JOB AT YORK UNIVERSITY

1. Create or update your résumé and cover letter

Before you apply for a job, you will need to have a résumé and a cover letter ready on your computer.

2. Visit our Employee OR External Career Portal

Are you currently employed at York U or have been within the last 30 days?

Please visit the [Employee Career Portal](#), log in with your **EMPLOYEE** Passport York (PY) credentials. Every active employee has a personal file (profile) in YU Hire created for them.

If you cannot recall your username/password please visit: <https://www.yorku.ca/uit/faculty-staff-services/passwords-passport-york-access/reset-passport-york-password/>

Note: Your student PY credentials will not provide access

Are an applicant who has never been employed by York U or you have not been actively employed in the last 30 days?

Please visit the [External Career Portal](#) to either create a new account or access your existing external profile by entering your YU Hire username and password.

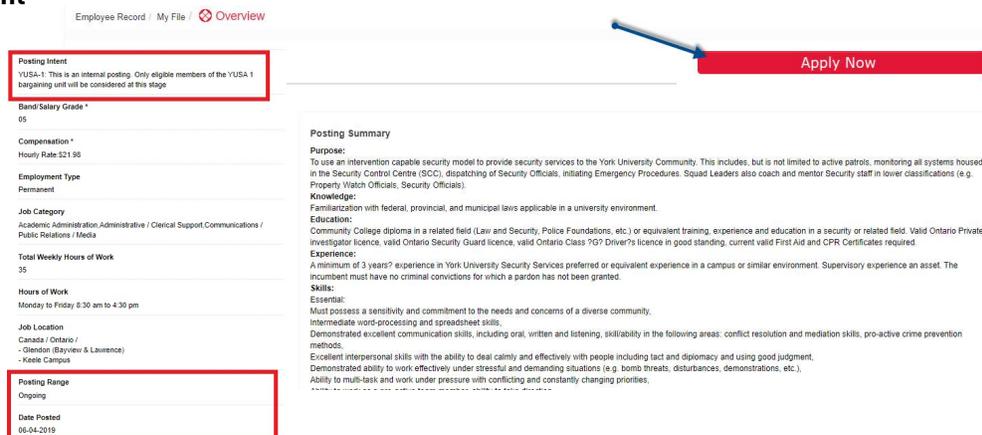

If you cannot recall your Career Portal username/password please click **“Forgot your username or password?”** Enter the email address associated with your account in order to retrieve your password.

Once logged in, click the **Hamburger** menu > **Career** tab > **Job Postings** link. You will see all the jobs available to employees. You can sort this list by clicking the column title, for example, by *Affiliation*. Note: If you refine your search using the filters on the left, you will only see filtered jobs. You must “Reset Filters” if you wish to see the full list.

3. Read the job posting details

Always ensure you look at the **Posting Intent**

field on the left side of the screen to determine if you are eligible to apply. Posting intent applies to all postings and indicates where and how we are collecting applications for any given position/job. Also be sure to look at **Posted Date** and **Posting Range**, as this will display the application collection period and any deadlines.

Employee Record / My File / Overview

Upload Resume

Résumé

Add a File

Browse...

Find the folder where you have saved your résumé, select the right file and then click **Open**. This will upload your résumé to **YU Hire**.

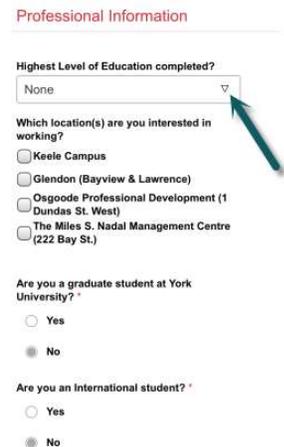

Now, repeat the same steps to add your **Cover Letter** in the next field. This will store both your resume and additional information for future job applications. At any time, you can update your profile and your résumé on the *Personal File* page in the **Employee Record** tab.

5. Enter the required information

When we created a profile for you, we obtained basic contact information from our HR System. If that information is no longer accurate, you will have to update it in **HR SelfServe**.

Now, provide **Professional Information**. Fields marked with an asterisk(*) are required.

Next, answer the **Eligibility Questions** and the **Employee Equity Self-Identification Survey**. Finally, read and accept the **Privacy Statement**, and click the **Save** button.
